Winter 2009

Dear Valued Customers,

As 2009 comes to a close I want to take a moment to express how much we have enjoyed serving you this year. We feel very blessed to work in a industry with so many wonderful individuals and value each one of you.

POINTS OF INTEREST:

- * [International Tech Week](#) is 01/31/2010 through 02/06/2010. You're are an essential piece of the puzzle! Thanks for all your hard work!
- * [Paper Tubes](#) are now in stock at Newco. Please call your Customer Service Representative for more details on this cost savings enrichment.
- * The holiday season is here. Many of you will face changes in your delivery schedule please contact Kyana ext 228 or Dani ext 212 for details on your holiday delivery schedule.

We appreciate your feedback and hope you will continue to keep us informed of your needs so that we can rise to the challenge of meeting them as your dedicated Customer Service Department.

As we head into 2010 we know that you will look forward to our continued development of our website; making easier to find the information and items you are looking for. We also greatly look forward to seeing you at our 2010 Specialty Division Open House.

Wishing you, your families, your staff, and all your loved ones the very best and most joyous holidays!

WINTER WEATHER DELAYS

Our goal is to have product on hand that will be available for all facilities at all times. However due to the winter weather we may experience unexpected delays in getting product from the east coast to Newco.

We know that you have limited space available in

your stock rooms, but we encourage you to keep enough stock on hand for an additional 4-7 days as part of your emergency preparedness plan.

To assist Newco Distributors in the ability to supply you with the stock you need we ask you to keep us informed with regards to

increases and decreases in your product usage. Advance notice is greatly appreciated and will allow smooth transaction in product changes and usages. *Thank you!*
